Public transport

Loyens & Loeff's Rotterdam office is situated on Blaak 31, next to the public transport hub Blaak Station.

Car Route A: Coming from The Hague or Utrecht

From The Hague, follow the A13 until you get to the Kleinpolderplein. Keep on the left-hand side and follow the signs for Utrecht / Dordrecht. Immediately after the fly-over, keep on the right-hand side.

From Utrecht (A20), when you get to the Terbregseplein, follow the signs for The Hague.

- 1A. Leave the A20 at exit 14 Centrum.
From The Hague, keep on the right-hand side.
From Utrecht / Dordrecht, go left following the signs for Centrum.
- 2A. Follow the signs for Centrum until you get to the Hofplein (a large roundabout with a fountain in it).
At the roundabout, take the third exit toward Pompenburg.
Take the second exit (following the bend) and follow the Goudsesingel.
Follow this road and turn off at the third exit (at the intersection) turning right onto the Mariniersweg.
Follow this road until you get to a T-junction. Turn right here to go along the Blaak.
Follow this road until you get to the public transport hub Blaak Station.
3. The entrance of the office is on the right-hand side of the road (Blaak 31).

Car Route B: Coming from Breda/Antwerp

From Breda / Antwerp (A16), take exit 25 Centrum.

- 1B. At the roundabout, turn left (third exit) toward Centrum (Maasboulevard).
At the sixth traffic light (which is the first one after the viaduct), turn left.
- 2B. At the next traffic light, turn left again (do not cross the bridge). You should now see our office right in front of you.
At the next traffic light, turn left onto the Blaak.
3. The entrance of the office is on the right-hand side of the road (Blaak 31).

Parking

You can park your car in the Markthal car park. The entrance of the parking is located at the Dominee Jan Scharpstraat (first traffic light to the right directly after the office, you will see the car park right in front of you).

From the car park there are elevators and escalators that will take you directly from the basement to the market floor.

When you have reached the market floor, walk left through the Markthal to the exit. When outside, go to the right until you reach the main road (the Blaak). Now walk to the right again and you will see the entrance (revolving doors) of the building Blaak 31 on the right.
